

Thank you for choosing the Center for Neurosciences to partner with you in the neurological care of your child.

Please arrive 20 minutes before the appointment to complete registration forms. The consultation will take about an hour. **If you do not speak English, please bring an interpreter with you.** Before your visit, please complete the enclosed questionnaire about your child's medical history and current problems. In addition, please bring with you:

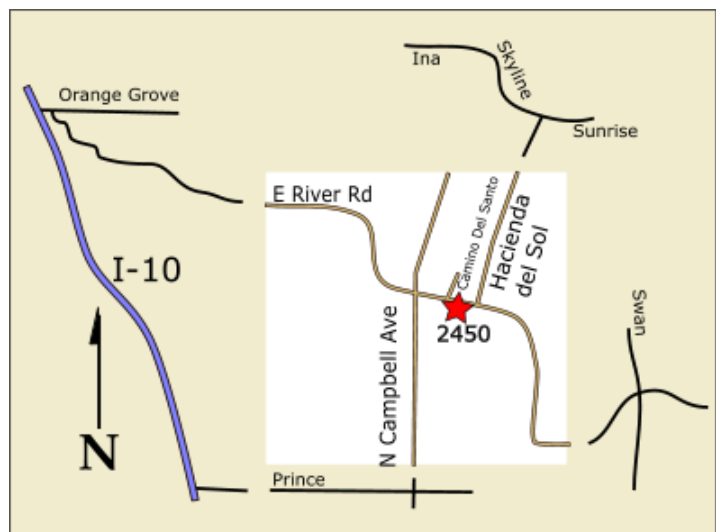

- Picture identification
- Names and dosages of current medications
- Copies of relevant medical records plus educational, psychological and lab reports
- Copies of any CT and MRI scans

If your insurance requires a referral from your primary care provider, we ask your assistance in ensuring that an authorization is received by our office prior to your appointment. If a referral is not available, we will need to reschedule for the next available time, or you may keep the appointment but will be responsible for the cost of the evaluation. For questions about insurance coverage of the neurology consultation, please call our office.

We have tried to schedule your appointment at a time that is convenient to you. **If it is not possible for you to keep the appointment, please call our office at 520-326-2661 at least 24 hours in advance to cancel or reschedule. Failure to do so may result in a charge of \$50.00.** Also, our office will be calling two days prior to confirm the appointment. **If we do not receive a confirmation your appointment will be cancelled.**

If you are coming to our office from east of River Road and Hacienda del Sol, the office is a large stand-alone building located on the left side (south) of the road approximately 0.2 miles west of the Hacienda del Sol traffic light with a left turn into our parking lot.

If you are coming to our office from West of River Road and Campbell, the office is located on the right side (south) of the road approximately 0.5 miles east of the Campbell traffic light with a right turn into our parking lot.

Sincerely,

Christina Huerta/Mary Lou Chacon
